

## HANS J WEGNER CABINET, JOHANNES HANSEN CABINETMAKER

### Description

Fine and rare sideboard designed by Hans Wegner and built by eminent Danish cabinetmaker, Johannes Hansen. A pair of doors with integrated pulls conceals two adjustable shelves to the left and five adjustable drawers to the right. The case bears richly patinated, bookmatched surfaces throughout and is supported by tall, turned teak legs. Spartan sophistication and meticulous craftsmanship that are thoroughly Wegner. 1960s.
