

### **TAPIO WIRKKALA HOPEAKUU PENDANT, 1974**

#### **Description**

Hopeakuu (Finnish: silver moon) sterling pendant designed by Tapio Wirkkala, comprising nine concentric rings that move independently around a small orb at the end of a vertical support, creating a wearable work of mobile art. Hallmarked: NW (for N. Westerback Oy, Helsinki), 925, V7 (for 1974) and TW signature. An icon of modernist jewelry design in excellent original condition.
